All NYSFPP staff are required by NYSDOH to complete trainings on a variety of topics. The specific training and content requirements for each staff member are based on their role within the NYSFPP and should reflect the scope of work they perform. Trainings that are required based on staff role are indicated with a Y (“YES”). Providers can document fulfillment of training requirements with the following: agency policy and procedures, training attendance logs, staff certificates of completion, and/or signed acknowledgment form or statement of understanding. Contact your NYSDOH FPP Program Manager with questions and refer to [NYSFPP Program-Specific Requirements](#).

Are you a Training Administrator who wants to track staff completion of these trainings? Follow these steps and reach out to nysfptraining@jsi.com with questions.

1. Create an RHNTC account by navigating to rhntc.org and clicking "Create Profile" or login to rhntc.org with your existing username and password.
2. Request a Training Administrator account by [completing this form](#).
3. Once you have received confirmation that you have a Training Administrator account, click: <https://rhntc.org/training-lists/new-york-state-family-planning-program-nysfpp-required-trainings-all-staff>.
4. Click "**Duplicate List**". Rename the Training List so it is specific to your agency. For example: "[Agency Name] Required Family Planning Trainings – All Staff"
5. Customize the Training List to meet your agency needs. Remember to click save when you are done.
6. Click "My Training Lists", find the "[Agency Name] Required Family Planning Trainings" list you just created, and click "Share" in the top right. Copy the URL. Email that URL to staff with the following instructions: ****Failure to follow these instructions will prevent you from being able to track the staff training completion as intended.****
 1. Staff **MUST** create an RHNTC login or use an existing login. After they login to the RHNTC, they **MUST** click the URL you sent them, and click "**Save List**".
7. Once they click "Save List", then you, as the Training Administrator, will be able to see which staff has completed each of the required trainings.
8. To manage your training list, click "My Training Lists", find the "[Agency Name] Required Family Planning Trainings". Then click:
 1. Manage Users to view the list of staff who have successfully saved the Training List.
 2. View Completion Report to view and download a report of staff training completions.
 3. Modify List to update the training list with new trainings as needed.
9. Repeat steps 3 through 9 above with this training list: <https://rhntc.org/training-lists/new-york-state-family-planning-program-nysfpp-required-trainings-clinical>. This training list contains required trainings for clinical, administrative, and health education staff working in NYSFPP settings.

*MD, NP, PA, CNM, RN, LPN, MA and other staff engaged in direct patient care, includes medical/clinical directors.

**New York State has identified select professionals as mandated reporters of child abuse or maltreatment (Section 413 of the New York Social Services Law). These positions must follow the NYS guidelines and follow the Office of Children and Family Services (OCFS) [mandated reporter training](#) requirements per their licensure/role. *If staff have taken the OCFS mandated reporter training in the current year, this would fulfill the identification and reporting of suspected child abuse training requirement.*
